### Nemours Physician Spotlight: *Raj Sheth, MD*

A relative newcomer to Nemours, Raj Sheth, MD, Division Chief of Neurology, NCCJ, leads by example. In his first few months with Nemours, Dr. Sheth's patients rated their visit experience a perfect 5 out of 5 in the Care Provider section as well as in questions relating to Cheerfulness of the Practice, Cleanliness of the Practice, Care Received During Visit and Likelihood of Recommending the Practice. Our patients said:

"He was phenomenal. I have told all of my family and friends about Dr. Sheth. He has a wonderful manner and was GREAT with my daughter."

"Everyone, including Dr. Sheth, was EXCELLENT and I will recommend anyone to him and if I need to see a neurologist it would definitely be Dr. Sheth."

"Dr. Sheth was very respectful of us and wonderful with our six-year-old daughter. Great experience!"

"Dr. Sheth is very good with our son and explains why he does what he does."

"Dr. Sheth is very knowledgeable and professional."

"Thanks for the great service, Nemours!"
